## **VISION STATEMENT**

Our school vision is based on students being happy, safe and engaged in a supportive and rich learning environment.

## **MISSION STATEMENT**

We believe happy, safe and engaged students learn best in a supportive and rich learning environment that we provide at Cranbourne East Primary School. Through utilizing the School Wide Positive Behaviour Support Framework (SWPBS) we strengthen student - teacher relationships with clear and consistent expectations. Our mission is to support student behaviour with the same teaching approaches we use to teach academic excellence. We believe behaviour approaches is a shared responsibility between staff, students and the wider school community for the benefit of our students and their future
