Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct <https://www.cranbourneeastps.vic.edu.au/policies/child-safe-policies> also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Establishing a culturally safe environment

At Cranbourne East Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

We acknowledge the traditional custodians of the land the Bunerong people on which we stand today and recognise their continuing connection to land, water and culture. We pay our respects to their Elders past, present and emerging.

- *All Aboriginal and Torres Strait Islander students are supported through a Koorie mentor (Assistant Principal), termly student support team meetings, Individual Education Plans and a mixture of literacy intervention and tutoring learning intervention.*
- *The school acknowledges days of significance for Aboriginal and Torres Strait Islander peoples such as: Survival Day, The Anniversary of the Apology, National Sorry Day, Reconciliation Week and NAIDOC Week*
- *The school not only uses Indigenous days of significance to teach students about the importance of Indigenous history and closing the gap, but uses resources from Wingaru Kids as a Social and Emotional Learning curriculum for students, made by Aboriginal and Torres Strait Islander people for schools*
- *We proudly display our Aboriginal Flag at the front of the school to demonstrate our commitment to an inclusive and respectful environment*

To support child safety and wellbeing at Cranbourne East Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging whole school wellbeing initiatives such as SWPBS and Respectful Relationships.

We inform students of their rights through explicit SWPBS lessons and our start up program where we give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns

with a trusted adult at any time. Students and families can also access information on how to report concerns at <https://www.cranbourneeastps.vic.edu.au> .

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.
